To: Honorable Judge Aileen Cannon

This is a ex parte disclosure is from, David Patrick Gartland, one of the people of the State of New York made in accordance 28 U. S. Code 1746 - Unsworn declarations under penalty of perjury

JACK SMITH is a fictional creature of mind only, created by, JOHN LUMAN SMITH an attorney who was admitted into the Appellate Division, Second Judicial Department As shown on the subsequent page below.

JACK SMITH is a **nom de guerre,** defined as "a pseudonym **adopted by a person engaged in combat, espionage, or other clandestine activities, typically used to protect the individual's true identity.**" According to Merriam-Webster Dictionary.

This disclosure should serve as evidence that Donald J. Trump and the court, you preside over are victims of a “Deep State” deception, that in actually is seditious plot that includes the U.S. Attorney General MERRICK B. GARLAND and the attorneys within the Justice Management Division JMD/Office of General Counsel (OGC) that concocted the cover up contained within the so called, MEMORANDUM FOR THE RECORD —SUBJECT oath of office, John Luman Smith a.k.a. Jack Smith. (shown below) The admission of JACK SMITH, Bar No. A5503070 into the U.S. District Court, Southern District of Florida and or any other court is fraudulent and stands against reason.

“Nothing That Stands Against Reason Is Lawful” Is a maxim of law attributed to one of the greatest orators of the common law, Sir Edward Coke.

MEMORANDUM FOR THE RECORD

SUBJECT: Oath of Office, John L. Smith

EXECUTIVE SUMMARY: This memorandum serves as record that an appointment affidavit (SF 61) has been signed and executed for the appointment of John L. Smith, Special Counsel. On November 18, 2022, John L. Smith was appointed by Attorney General Merrick B. Garland to serve as the Special Counsel by Order No. 5559-2022.

DISCUSSION: Mr. Smith signed an SF 61 on November 20, 2022. Upon reviewing documentation, it was discovered that a witness signature was missing (more than likely as Mr. Smith was on boarded while overseas). JMD/Human Resources consulted with the JMD/Office of General Counsel (OGC) to ensure proper corrective action. OGC's recommendation and advice was to readminister the oath of office and execute a new SF 61 to ensure procedural compliance.

The above so called "**MEMORANDUM FOR THE RECORD**" is false, misleading and intended to deceive. In actually it is evidence of a conspiracy that includes the communist infiltration, within the offices of the JMD/Human Resources and JMD/Office of General Counsel (OGC) in a malicious machination of, malfeasance to knowingly and wittingly cover-up the unlawful and illegal appointment of Special Counsel, "JOHN L. SMITH" by the U.S. AG, MERRICK B. GARLAND. Those two intellectual idiots from Harvard law are just not very bright, In fact "These People are STUPID" and there is plenty of evidence of THAT, contained within the so called MEMORANDUM FOR THE RECORD and the subsequent documents included with it.

> *e.g.* **Upon reviewing documentation, it was discovered that a witness signature was missing (more than likely as Mr. Smith was on boarded while overseas)**

Your Honor, I am the dyslexic layman and son of an alumni of University of Michigan Law School, like yourself, and even I know there is no such word as readminister and every spellchecker known to man should serve as proof of that. So what's it doing in the so called MEMORANDUM FOR THE RECORD, only an ineptly, corrupt insiliarius (evil counselor) would add conjecture and obfuscations to statement that requires frankness and FACTS. It's cover up by the DEEP STATE and it's malicious machination of morons the fictious name JACK SMITH, in numerology, that literally means "The Devil" that can be verified at: https://www.gematrix.org these luciferian lunatics

place symbolism in plain sight there are ON coincidences and your Honor, YOU —NEVER saw it coming the Devil is in the details. Let symbolism be their downfall. I implore you to use the power of your pen save our republic, free the people from “THEIR” doom-mocracy

Who is Jack Smith? Trump suggests special counsel from Central NY has fake name

Hours after being charged with 34 felony counts in a New York court, former President Donald Trump railed against the multiple investigations he’s facing — and repeated a bizarre claim that special counsel Jack Smith is using a fake name.

John L. “Jack” Smith, who grew up near Syracuse and graduated from Liverpool High School in 1987, was appointed by U.S. Attorney General Merrick Garland as a special counsel to investigate Trump over classified documents found at Mar-a-Lago and parts of the Jan. 6, 2021, attack on the U.S. Capitol.

Trump called Smith a “lunatic” during a speech at Mar-a-Lago on Tuesday and suggested Smith isn’t his real name or is an alias.

https://www.syracuse.com/news/2023/04/who-is-jack-smith-trump-suggests-special-counsel-from-central-ny-has-fake-name.html

As a former assistant United States attorney I need not remind you, that an SF61 is intended to meet the requirements of 4 codified statues, 5 U.S. Code Sections 3331- Oath of office, 3332- Officer affidavit; no consideration paid for appointment, 3333- Employee affidavit; loyalty and striking against the Government and 2903 - Oath; authority to administer. Both §§ 3331 and 3332 have 30 days allotted for competition and 3333 has 60 days allotted.

Where as § 2903, **(a)** The oath of office required by section 3331 of this title may be administered by an individual authorized by the laws of the United States or local law to **administer oaths in the State**, **District**, or **territory** or **possession** of the United States where the oath is administered. **(b) An employee of an Executive agency designated in writing by the head of the Executive agency...**

There in nothing within § 2903 that would authorize an employee of the Executive agency designated in writing by the head of the executive agency to administer an oath of office on foreign soil with the only possible, exceptions I could think of was a US military installation and/or a U.S. Embassy... that are therefore territories or possessions of the United States. ***Noting***: Title 5 is a positive law title constituting legal evidence of the law in all Federal and State courts (1 U.S.C. 204).

Seemingly, JOHN LUMAN SMITH a.k.a. "JACK SMITH", severed under his fictitious nom de guerre as the former head of the DOJ's public integrity unit for 5 years is completely ignorant of his duty as an officer, within 30 days after the effective date of his unconstitutional appointment, to file a duly executed SF 61 that isn't an overtly obvious counterfeit instrument (as shown below)

JDM/Office of General Counsel (OGC), and the JDM Human Resources intentionally omitted any reference to the date this as yet unknown and unidentified individual discovered that a witness signature was missing or that SF61 appears altered in a way that gives this Patriot reason to believe it's a counterfeit instrument.

Why didn't one of the inept insiliarius working within the JDM/ Office of General Counsel (OGC) pickup the phone and get JOHN LUMAN SHITH on the record as to the actually of the event, before submitting conjecture into the so called "MEMORANDUM FOR THE RECORD" the entire premise is retarded. Someone had to have made contact with JOHN LUMAN SMITH, to and inform him of their recommendation and advice to "**readminister**" the oath of office (unlawfully) and execute a new SF 61. JDM/OGC entire premise is a pusillanimous, machination of malicious morons.

The insiliarius within the JMD/Office of General Counsel (OGC) had a direct conflict of interest that involved the U.S. Attorney General, Merrick B. Garland and his unconstitutional appointment of Special Counsel, John L. Smith a.k.a Jack Smith a.k.a.The Devil and they wittingly and willfully chose to cover it up. According to iask.ai Jack Smith would receive around $3,500,000 per year in compensation providing JACK SMITH 3.5 Million reasons to continue his ruse de guerre.

> 1897 Bouvier's Law Dictionary — Page 940
> RUSE DE GUERRE. **Literally a trick in war; a stratagem. It is said to be lawful among belligerents, provided it does not involve treachery and falsehood**.

The DOJ's MEMORANDUM FOR THE RECORD is skullduggery by buffoons there are NO do overs for deep state's JACKOFF who's just another intellectual idiot from Harvard law like his boss that's to dam dumb execute a duly recognized SF 61 within the legal requirements of Title 5.

How is it that an unidentified individual, "readministered" the illegal and unlawful oath of office to JOHN LUMAN SMITH on 09/14/2023 in NOT identifying on the instrument, by name and title is in absolute absurdity of its self. That document is VOID on its face and, VOID ab initio before JOHN LUMAN SMITH finished signing it sum 300 days after notice of appointment, making it over due and delinquent for 270 days and 98 days AFTER the date when the Donald J. Trump was indicted in the court you preside over, and 44 calendar days after Donald J. Trump was indicted in the United States District Court for the District of Columbia case 1:23-cr-00257-TSC filed on August 1st, 2023.

Keep in mind that yet unidentified individual aforementioned above would have to have been designated in writing by MERRICK BRAIN GARLAND on or before 9/14/2023 to be in accordance with 5 U.S. Code § 2903 before "readministering" the oath of office

JOHN LUMAN SMITH had the cojones to LIE to the Supreme Court when he submitted a brief using his nom de guerre, JACK SMITH he's a Honi (Black's 4th —Page 870) Hony soit qui mal y pense, evil be to him who evil thinks. Preferably written *honi*.

JACK SMITH is as lawless as "the Devil" they both speak with a forked tong

On an aside I have created a website that contains further evidence of JOHN LUMAN SMITH's crimes, and two other disclosures concerning the repugnant oaths of office of:

LETITIA ANN JAMES, de facto Attorney General of the State of New York, and ALVIN LEONARD BRAGG, de facto District Attorney of the County of New York

Both are in willfully violations of:
4 U.S. Code § 101 - Oath by members of legislatures and officers,
and 4 U.S. Code § 102 - Same; by whom administered

Although those above violations of Federal Law do NOT fall under the purview of your Honors jurisdiction within the South District of Florida, they do fall within the jurisdiction of the United States District Court for the Eastern District of New York and or the United States District Court for the Southern District of New York, given a referral from your bench and therefore fulfilling my duty under 18 U.S. Code § 2382 - Misprision of treason.

Please Copy the following information into your browser for access to my website:

Lastly I would respectfully ask the Court to inform the counsels representing the former President Donald J. Trump of my well founded allegations. God bless

I, David Patrick Gartland declare and certify under penalty of perjury that the foregoing is true and correct.
