Dear David Patrick Gartland:

The Civilian Complaint Review Board has a specific jurisdiction when it is investigating allegations against sworn members of the NYPD. Some allegations do not fall under the jurisdiction of the CCRB and fall under the jurisdiction of another entity, which is the case here.

As a result, we are forwarding your complaint to the **Internal Affairs Bureau**, so they can take appropriate action. Please expect to hear from someone from that organization who will be investigating your incident. They will be able to explain to you in detail how their process works. Your continued willingness to participate in this extremely important process with the **Internal Affairs Bureau** is greatly appreciated.

If you have any questions, please contact the **Internal Affairs Bureau** at **315 Hudson Street 3 Fl, New York NY 10013; telephone (212) 741-8414**. Make sure you have the reference number at the top of this page when reaching out to them.

The integrity and quality of the Police Department's service to the public depends, in large part, upon
receiving information from citizens like you regarding the performance of police officers as they carry out their duties. The Civilian Complaint Review Board is grateful for the effort you have already put forth in furthering this goal.

Sincerely,

Eshwarie Mahadeo

Official CCRB Complaint

This complaint concerns a constitutional crises that has become standard operating procedure within NYPD and effects all or almost all the 35,000 police officers appointed and employed by NYPD. The brass at 1PP has enshrined and institutionalized a fictitious “Oath of Office” that is repugnant to the Constitution of the state of New York Article XIII Section 1 Oath of office; no other test for public office. There is plenty of evidence to support my claim posted on YouTube.com that dates back to at least 2011 that I have become aware of at this time although I have good reason to believe ursurpations of both the state and federal constitutions goes back to when David Dinkins was the de facto Mayor of the City of New York starting in January 1st, 1990

This comes as NO suprise to this patriot that this has happened under the blind eye of the CCRB just like the incident this patriot reported concerning the defacto Mayor of the city of New York who conspired while working in concert to unlawfully and illegally administer the same fictitious “Oath of Office” to his criminal cohort and co-conspirator, Edward Cuban to become the defacto Commissioner of the Police Department of the City of New York and sometime thereafter the same fictitous oath of office was then illegally and unlawfully administer to Tarik Sheppard to become the now de facto Deputy Commisioner of the Police Department of the City of New York. That case was

closed both unlawfully and illegally because it violates the terms and conditions of the attorney's oath of office that was administer Jonathan A. Darche tin accordance with Judiciary Law § 466. The terms and conditions of Jonathan A. Darche oath of office have been defined by the Second Judicial Department, Orientation to the Profession Program. Program Materials listed on page one, (quoated below)

" The administration of the oath takes less than one minute, but its obligations endure for the life of the attorney's career at the bar."

"accompanied by a swearing to God, that he or she will be bound to a promise. The person making the oath implicitly invites punishment if the promise is broken (Black's Law Dictionary [8th ed 2004], at 1101 [hereinafter Black's])."

"The terms of that oath or affirmation require the individual to uphold and maintain the authority of the constitutions and laws of the federal and state governments"

This Patriot knew all of the above before he placed a recorded call to Jonathan A. Darche who was licensed and admitted to practice by the Second Judicial Department on March 8th 2006 and that of course makes him subject to the Second Judicial Department's doctrine within the Orientation to the Profession Program . This Patriot did it to intrap that insiliarius, maladroit

“esquire” by the terms of his oath of office requiring him to act in support of both the state and federal constitutions faithfully or beheld accountable for his total lack of actions. And right now I am LMAO because he swallowed the bait, hook line and sinker and took another communist out with him. How is it Eshwarie Mahadeo who I can find no record he was ever admitted to the state bar of New York was able to make a legal determination that some of this patriot’s allegations did not fall under the jurisdiction of the CCRB in the first place. Is sounds like he is practicing law without a license. The reality is their oaths of office to the constitutions supersede all other mandates provided by any statute because the Constitution of the State of New York is the supreme law of the land with in the state of New York that has been mandated and appoved by vote of the people on November 8th 1938 and that can only by supersede by the Constitution for the united State of America anytime it becomes in conflict with it or laws made in pursuance of it.(ie 4 U.S. Code Section 101 -Oath by members of legislatures and officers)

Jonathan A. Darche and Eshwarie Mahadeo can hang with those that have chosen to usurp the constitutions as far as I am concerned — Usurping the Constitutions is an ACT of TREASON. And one thing this patriot knows for sure is Eric Adams, Eward Cuban and Tarik Sheppard actions where and are usurpatations of both the state and federal constitutions full stop. Their usurpatations are extended to all of the so called

“oath takers” that where present on that day and can be seen in the video those aformentioned idiots posted to Twitter and Youtube. That includes but are definitely not limited to the Kings County (Dumb Ass) DA Eric Gonzalez and any of the NYPD officers in attendance all of whom fall within the purview of the blind eyed CCRB who close the Patriot’s case without investigating those inept idiots so called “oath takers” all of whom have likely taken, subscribed and filed a fictitious oath of office wthin the Office of the City Clerk put that in your pipes and smoke it. Playing this Patriot for a dimwitted dumb ass has boomeranged on the CCRB

Jonathan A. Darche and his criminal cohort, Eshwarie Mahadeo Director of Case Management have become just two other co-conspirators after the fact, and that alone shoud be good enough at to make them subject to: 18 U.S. Code § 2382 - Misprision of treason— Whoever, owing allegiance to the United States and having knowledge of the commission of any treason against them, conceals and does not, as soon as may be, disclose and make known the same to the President or to some judge of the United States, or to the governor or to some judge or justice of a particular State, is guilty of misprision of treason and shall be fined under this title or imprisoned not more than seven years, or both.

I digress back to the topic an hand within this official complaint that concerns the fictitious oath of office that was illegaly and

unlawfully administered to NYPD Academy Cadets and Streamed live on YouTube.com on December 30, 2022 under the title of: Watch as NYPD recruits graduate from the Police Academy. https://www.youtube.com/live/xlP6ppOqiKw?feature=share —The fictitious "Oath of Office" in question starts at the 30:50 min/sec mark.

Or you can download a copy from my mega server: https://mega.nz/file/lSAHHJJS#EJ7WVu1RI5LcmNN5hwxPE-hoaqDWeEMtKn-02DoVa48 and because this was and is not an isolated incident I have also provided a link to the April 24, 2023 Swearing in Ceremony. Because this usurpatation of both the state and federal constitutions has become standard operating procedure buy those in power at 1PP at swearing in cermones for police academy cadets and commissioners https://mega.nz/file/1axBFJST#rYxhDeCuz05JloKNNnw3ZbjEmXhfkVsMpdGefITt85Q

The origins of this fictitious "Oath of Office" is actually a statement taken out of context and misconstrued it is in fact a statement taken out of Section 62 Constitutional Oath upon appointment of the Civil Service Law that statement was intended for members of labor class for subscription and filing within the Office of the City Clerk only. And it was never intended to administer orally to anyone and exspecially not as

an “Oath of Office” (as shown below)

“an employee may comply with the requirements of this section by subscribing and filing the following statement: "I do hereby pledge and declare that I will support the constitution of the United States, and the constitution of the state of New York, and that I will faithfully discharge the duties of the position of ....., according to the best of my ability."

"I do hereby pledge and declare” is actually a declaration pacifically addressed as abhorrent within Section 1 of Article XIII of the Constitution of the state of New York repugnant “and no other oath, declaration or test shall be required as a qualification for any office of public trust”

Furthermore that fictitious “Oath of Office” is a direct violation of 4 U.S. Code § 101 - Oath by members of legislatures and officers

Every member of a State legislature, and every executive and judicial officer of a State, shall, before he proceeds to execute the duties of his office, take an oath in the following form, to wit: “I, A B, do solemnly swear that I will support the Constitution of the United States.”

Therefore it is a violation of 4 U.S. Code § 102 - Same; by whom administered.

Such oath may be administered by any person who, by the law of the State, is authorized to administer the oath of office; and the person so administering such oath shall cause a record or certificate thereof to be made in the same manner, as by the law of the State, he is directed to record or certify the oath of office.

Title 4 has been codified into positive law. Positive law titles constitute legal evidence of the law in all Federal and State courts (1 U.S.C. 204).

That same fictitious "Oath of Office" is a violation of Section 10 Official oaths of the Public Officer Law — first because it's FICTITIOUS and therefore it's NOT the official oath. Then there is the problem with the Chief of Department, Jeffery Maddrey, who was the presiding officer in attendance on the day in question who can be seen sitting on his fat ass while John Benoit, Deputy Chief of the Personnel Bureau administers that aforementioned fictitious "oath of office" illegally and unlawfully to those unwitting hive minded cadets who have been taught nothing of the importance of a Constitutional and proper oath of office. Chief Maddrey's avoidance of a know duty is also a direct violation of Section 10 "or may be administered to any member of a body of officers, by a presiding officer or clerk" Both Chief Maddrey and Deputy Chief Benoit, bth of them 1have some explaining to do as do all the members of the dais in attendance on that day. Not one of them stood up in support of

the Constitutions either state or federal and the laws made in percents of the constitutions. That include Section Official oaths and Section 30 Creation of vacancies (1)(h) of the Public Officers Law and Section 62 Constitutional oath upon appointment. I have provided a list of their names within this complaint (shown at or near the end of this document)

If that wasn't bad enough it gets worse you see some inept idiot or idiots with in 1PP most likely an insiliarius, maladroit attorney created a FORM OF OATH document for subscribing to and filing with the office of the City Clerk as required by both §10 Official oaths and §62 Constitutional oath upon appointment. That "FORM OF OATH" document contains and entirely different and still repugnant fictitious "Oath of Office" that has NO basis in LAW (quoted below)

"I do solemnly swear, that I will support the Constitution of the United States of America, and the Constitution of the State ofNew York, and the Charter of the City of New York, and that I will faithfully discharge the duties of the office of POLICE OFFICER. in the Police Department of the CITY OFNEW YORK, according to the best of my ability. "

Here's a few link to two copies of that "FORM OF OATH" that are on file with the Office of the City Clerk that I was able to obtain with a foil request
https://mega.nz/folder/

FWAGwTLT#m5VjSy10GBrmlWGXATWMow

Those who have subscribed to this fictitious "Oath of Office" and their filing of it within the Office of the City Clerk becomes a direct violation of Section 30 Creation of vacancies. 1. Every office shall be vacant upon the happening of one of the following events before the expiration of the term thereof: h. His refusal or neglect to file his official oath (a fictitious oath of office just ain't going to cut it) or undertaking, if one is required, before or within thirty days after the commencement of the term of office for which he is chosen. What I'm alluding to is fact any officer that filed that CRAP can be fired on the spot no questions asked.

The NYS/DOS created a very boring interactive video called "Local Government Public Officer" https://video.dos.ny.gov/lg/onlinetraining/local_government_public_officers_courseoutline/presentation_html5.html All NYPD officers should be required to take it because it explains everything they need to know concerning a proper oath of office, DOS also created a pdf of the entire script https://dos.ny.gov/system/files/documents/2021/12/local-government-public-officers.pdf

These same officers that fied the CRAP could find themselves subject to the TRUMP Charge — NYS Penal Code SECTION 175.35 Offering a false instrument for filing in the first degree a

class E felony, Especially if they just happen to be an attorney because attorneys are deem to know the law.

December 30, 2023 Members of the dais that are under the preview of the CCRB and did nothing to support either the state and federal constitutions and the aforementioned federal and state statutes made in pursuance of the constitutions as they are required to do. Don't blame this Patriot for what they did to themselves.

Miguel A. Iglesias, Chief of Internal Affairs, Matthew Pontillo, Chief Risk Management, Theresa Tobin, Chief of Interagency Operations, Kim Y. Royster, Chief of Transportation, Michael Lipetri, Chief of Crime Control Strategies, Thomas Galati, Chief Chief of Intelligence, John Chell, Chief of Patrol, Jeffrey Maddrey, Chief of Department, John Mueller, Chief of MTA, Peter M. Fortune, Deputy Chief at Police Academy, Russell J. Green, Deputy Chief of Housing Bureau, Gerard V. Dowling, Deputy Chief of Special Operations, Commanding Officer —Christine Bastedenbeck, Patrol Borough Queens North, Assistant Chief— Scott M. Henderson Commanding, Patrol Borough Brooklyn North, Assistant Chief, Commanding —Charles McEvoy, Patrol Borough Brooklyn South, Assistant Chief, Commanding —James N. McCarthy, Patrol Borough Brooklyn South, Michael Baldassano, Assistant Chief, Commanding Officer Detective Bureau, Michael M. Kemper, Acting Assistant Chief of Transit, John Benoit, Deputy

Chief of the Personnel Bureau, Rabbi —Alvin Kass Chief Chaplain NYPD Father —George Anastasiou, deputy chief chaplain NYPD, Dr. Eli Klimaan Chief surgeon NYPD, Ruben Beltran, Assistant, Chief of Technology, Rhonda Riley Novell, Inspector NYPD Academy, Terrence Herson deputy chief patrol, bro, Staten Island, Micheal Baker, Deputy Chief, Strategic Initiatives Bureau

It's no wonder the NYPD is running a muck and out of control with little regard and almost no adhereance to the Constitution of the State of New York they have fictitiously sworn to serve. NYPD's usurpation of the Constitutions both state and federal has been going on under the BLIND EYE of the CCRB for over a decade. It is very likely the CCRB's own employees have taken and subscribed to a fictitious 'Oath of Office because the inept insiliarius attorneys Michael Matthew McSweeney City Clerk, Clerk of the Council and the General Counsel, Patrick Louis Synmoie within the Office of the City Clerk maintain a website that has fictitious oath of office requirements that are repugnant to the Constitution of the state of New York. As shown below

"When you file an Oath of Office, you swear to support and uphold the Constitution of the United States, the Constitution of the State of New York, and the Charter of the City of New York."

The people of the state of New York don't take a oath to the charter of the city of New York. —Da

All of this above information is minuscule in comparison, to my next complaint.
